## 2 Device Wearing

---

### Danger

The device adopts magnetic design. DO NOT use the device if you had surgery before (for example, installed metal or pacemaker in the body).

---

The device supports to wear with the pin, magnet, or lanyard. When wearing light clothing, you can put the device on your clothing and fix it with the magnetic plate. When wearing thick clothing, you can use the pin on the back plate to clip the device on your clothing, and use the

magnetic plate to fix the device. If you need to use the device with wide range of motion, you can wear it with a lanyard to avoid it from dropping. Keep your clothing flat when wearing the device to avoid affecting the recording effect.

### 3 Device Operation via Mini AI Assistant Application

You can realize the live view, remote video playback, device configuration, file management, etc. via the Mini AI Assistant application. Scan the QR code below to get the user manual of Mini AI Assistant application.
